To power accessories, with automatic circuit protection to prevent overloads.

INDUSTRIAL GRADE CLAMPS

Penetrate corrosion on battery terminals for maximum power transfer to the vehicle.

SERVICE COUPON

Repair Service Coupon

Use it... abuse it. Heck, run it over with a semi-truck. No problem, we'll take care of the unit. It doesn't even have to be assembled. Simply return your JNC4000, JNC660 or JNC450 or all of its parts, properly and safely packaged, along with this coupon and your original sales receipt. We will either recondition the unit or replace it with a refurbished unit and return it all for a fee of just \$75.00.

Complete the reverse side of this coupon and return it, along with your \$75.00 payment, your original sales receipt and your unit to Clore Automotive. It's that simple!

JUMP n Carry

Our **Repair Service Coupon** enables a one-time product repair/refurbishment after the warranty period for a fixed fee.

Working in the vicinity of a battery is dangerous — always wear protective eye wear!

HEAVY-DUTY CASE

Impervious to shop fluids, it is designed to withstand the rigors of everyday professional use.

BATTERY VOLT GAUGE

Provides accurate, detailed state of battery charge.

HEAVY-DUTY CABLES

Long, heavy-gauge cables remain flexible in extreme temperatures and enable ideal unit placement during jump starting.

CLORE PROFORMER BATTERY

Jump-N-Carry jump starters feature high performance, replaceable **Clore PROFORMER** batteries, specifically developed for vehicle jump starting applications.

REPLACEMENT BATTERY

CHARGER/CHARGER CORD

MALE-MALE 12V EXTENSION CORD

TECH TIP:

Like most batteries, the batteries found in jump starters deteriorate if allowed to sit in a discharged state for extended periods. Charge your jump starter every 90 days when not in use to ensure a long service life.

JNC300XL

**900 Peak Amp
12 Volt Ultra-Portable
Jump Starter**

With its **Clore PROFORMER** battery, the ultra-portable JNC300XL delivers the goods. It is powerful enough to start virtually any passenger vehicle.

A store anywhere, bring anywhere unit, it weighs just 9 lbs. and features a flashlight, 12V outlet and full size clamps.

JNC4000
